

# B T N SOUTH EAST EDUCATION COOPERATIVE BEGINNING TEACHER NETWORK

A professional development program offering new educators an opportunity for support and collaboration in order to enhance classroom practices.

BTN seeks to provide first year educators with an opportunity for professional growth, collegial dialogue, support and guidance. Meetings provide a face-to-face forum for discussing topics that arise from the teachers' day-to-day practices.

Key ideas meant to trigger discussion include classroom management, state standards, assessment and responding to student needs.
